

# CONFIDENTIALITY AGREEMENT EXECUTIVE COURSE

Restoring epistemic trust through Therapeutic Assessment: Building a relationship "superhighway" with difficult-to-treat clients

Participant name: .....

E-mail address: .....

I am a participant in the professional training workshop "Restoring epistemic trust through Therapeutic Assessment: Building a relationship "superhighway" with difficult-to-treat clients", organized by the European Center for Therapeutic Assessment (ECTA) at the Catholic University of Milan. In the workshop sensitive clinical information will be presented regarding actual clients.

I understand that by participating in this workshop, I agree to follow strict professional standards regarding client confidentiality, including:

- 1) I will not audio and/or video record the workshop.
- 2) I will not let others who have not registered for the workshop view the videos when they are streamed.
- 3) I will not share the workshop handouts and teaching materials with others.
- 4) I will never discuss any information about the clinical materials and the clients outside of the workshop setting.
- 5) I understand that this agreement has no time limit and I commit to follow these guidelines indefinitely.
